The improvement in question is referred to in para: 4 of this office letter of 16: March 1907 to the Secretary of Myore, but no orders for effecting the improvement have yet been issued apparently because no understanding has yet been arrived at with the Trustees ~~in regard to~~ as to how the cost of the other improvements to be made in the vicinity of the Queen's Statue is to be met. Quarters for a Sub Inspector of Police.

A.36. File 243/1887

The D.J.P. Committee proposed that the Sub Inspector of Cubbon Park Police station should be provided with quarters near his station & that the Station should be asked for a site in the Park near the station house. Mr. Williams did not like the idea of taking up part of the Park for this purpose, & the Superintendent was asked whether a site was available in the vicinity where a new Police station & quarters for the Sub Inspector could be

the Asst Inspector of the Cubbon Park Police Station
should occupy the quarters in which he is now living
at the junction of the Residency & Haigrounds Roads,
& that a site should be selected elsewhere

It may be taken for granted that any tenant, whether European or Indian, would make the landlord subject to a balcony overlooking Prospect House. The Plan may therefore be altered so that the balcony on the side of the Police Station which faces Prospect House is either omitted, or, if required for external symmetry, is set back.

Removal of the Cubbon Park Police Station to a site to the north of Prospect House.

In connection with the question of improvements to be made in the vicinity of the Queen's Statue in Cubbon Park, it has been proposed to remove the Police Station situated near the Statue to a site adjoining the northern boundary of Prospect House. The Director having agreed to the necessary exchange of sites, the Revenue Enquiry was asked in a d.o letter of the 13th July 1908 to authorize some officer of the State to arrange with the Collector of the Civil Station for the exact demarcation of the land which it was proposed to allot to the new Station.

The Hon'ble Mr. Fraser, I.C.S.

My dear Sir,

With reference to the proposal of removing the Police Station near the Queen Victoria's statue to a site adjoining the northern boundary of Prospect Road, I have the Dewan and am glad to inform you that the site is quite agreeable to an exchange of land.

This, I think, will enable you to kindly move in the matter so that the scheme might be successfully carried out.

I attach a site plan and if desired will have a tracing of

Dear Mr Rennie

154 With reference to your D.O. letter No.3687 of the 13th instant on the question of exchanging the site of the Police Station situated near the Queen's Statue for a site to the north of Prospect House, I write to say that on receipt of the D.O. the Deputy Commissioner of Bangalore was asked to settle the question of exchange with the Collector of the Civil and Military Station, Bangalore. I understand that the Deputy Commissioner and the Collector have arranged to meet on the 27th instant in connection with this matter. I shall write to you again after I have received the Deputy Commissioner's report.

In the plan prepared by the Assistant Commanding Royal Engineer. The above proposal may be sanctioned, but the Durbar would be glad if the compound of the new Police Station does not extend into the Park more than 75' from the Sydney Road. It now projects as much as 87' into the Park. At the same time the Southern boundary of the site may be taken along the compound wall of Prospect House so as to include the triangular area marked Z, now left between Prospect House and the site of the Police Station. I would urge this slight modification on aesthetic grounds. On hearing from you formal orders will issue in the matter.

To be kindly returned

Yours sincerely

Proceedings of the Government of His Highness the Maharaja of Mysore, General (Miscellaneous), dated 12th May 1909.

READ—

1. Government Order No. G. 374-7—G. M. 43-08-2, dated the 17th July 1908, directing the Deputy Commissioner, Bangalore, to submit a report regarding the proposal to remove the Cubbon Park Police Station of a site adjoining the northern boundary of "Prospect House" with a view to improve the vicinity of the Queen's Statue in the Cubbon Park.

2. Subsequent correspondence on the subject ending with the Bangalore Deputy Commissioner's letter No. S. 386, dated the 11th February 1909.

No. G. 6437-41—G. M. 43-08-5, DATED BANGALORE, 12TH MAY 1909.

ORDER THEREON.—In consultation with the Hon'ble the Resident, the Superintendent, Government Gardens in Mysore, and the Deputy Commissioner, Bangalore, it has been finally agreed that an extent of land measuring 949 square yards to the north of "Prospect House" and marked A B C D E in the accompanying plan, be handed over to the Civil and Military Station authorities for the erection of a Police Station in exchange for the site occupied by the present Police Station measuring 1,013 square yards and marked SBXIV—1, SBXIV—2, SBXIV—3, SBXIV—4 in the plan. Government are accordingly pleased to direct the Deputy Commissioner, Bangalore, and the Superintendent, Government Gardens, to take early steps to effect the exchange, and to see that the new site is properly demarcated on the ground according to the plan.

2. The consequent alteration in the demarcation of the boundary-line between the City and the Civil and Military Station will be notified in the official Gazette when the exchange is formally effected, a report as to which should be submitted to the Government by the Deputy Commissioner, Bangalore.

Sir

Being the monsoon time, I think tents will be inconvenient, and there cannot be no safety as regards prisoners & property - If tents were used it would be only for office work and for the

on duty, and it would be better to have the tents pitched on the vacant ground behind St Neots Church there would also be a difficulty about lighting at night -

I think it would be better & procure the use of the old Residency Road Police Station for the Club staff for the Court Police the old Station is demolished & the new one built. It is at present used as an office only -

I think there can be no difficulty in getting the Gas for it. It has a back-up & can be connected with the Electric Light Wing.

Dist. Magistrate, C.& M.station, Bangalore.

SIR,

I have the honor to address you on the subject of a piece of Government vacant land adjoining the Yellagowdanapalyam police lines.

2. It was proposed to erect a Sub-Inspectors quarters on this piece of land in 1906, but when the building operations were commenced, they had to be abandoned on Mr. Lee, the owner of the adjacent bungalow, protesting to the building on the ground that the quarters would obstruct the view and be objectionable. I inspected the site and, being satisfied with the reasonableness of the objection and that Mr. Lee had received an assurance from Mr. Hewetson that the land would not be built over, recommended that the quarters be built on another piece of land in the vicinity. This was approved in your office letter No:6621 dated 29th October 1907.

3. Mr. Lee now complains that the old site we have abandoned has become a source of nuisance to him and is used as a latrine by natives and a rendezvous for goats which come in and destroy his garden. He has accordingly proposed to purchase the land and in recommending the sale, I would suggest that the land be offered to him for Rs.250 on condition that he will fence it and agree not to build upon it.

Forwarded. The land referred to measures less than 12 guntas. The price proposed by the Superintendent of Police is a fair one if no buildings is constructed on the land. It will be an improvement if we have it fenced in.

Subject—

Erection of a Police Station with Latrine, for the C & M. Station of Bangalore, in Cubbon Park, adjacent to the East boundary wall of Prospect House, Sydney Road, Bangalore.

Sir,

As the owner of the property known as Prospect House, Sydney Road, situated in Cubbon Park, I beg to bring to your notice, that it is contemplated, shortly to erect a Police Station with Latrine, for the C & M. Station of Bangalore, adjacent to the East boundary wall of Prospect House (facing Sydney Road), this, if carried out will be a nuisance, and will probably seriously affect the value of the property; I therefore respectfully protest against its erection so close to my boundary

I therefore ask, that you will kindly look into the matter, and prohibit the C & M. Station building a Police Station on the spot indicated, waiting the favor of a reply in due course.

I beg to remain
Sir
Your obedient Servant

SIR,

I have the honour to return herewith Mrs.F.Bate's protest against the site for the new Cubbon Park Police Station and to state that it is the most frivolous protest I have yet received in Bangalore. A glance at the plan (enclosure A) will show that the site of the latrine will be more than 200 feet from the nearest corner of the house and a good deal ~~fu~~ further away than the latrines of the Prospect House itself. If ~~it were~~ a private house ~~that~~ were to be built east of the compound, I do not see what reasonable objection Mrs. Bates could raise; and a fortiori a Police Station Latrine with no more lines attached would be infinitely innocuous. The odd shaped corner abutting on the Station site cannot be of much use to the inmates of Prospect House, and from the stench that emanated from the spot when I first inspected it I concluded it was used as a repository for night soil, but the place has since been cleared up and perhaps I was mistaken . Any how I cannot point out a more inoffensive location for a latrine with reference ~~ence~~ to surrounding houses in the whole of Bangalore.

Government direct that para XV of the Description of the Boundaries of the Civil and Military Station of Bangalore issued with Notification No.14826/G.F.1096 dated 13th April 1903 be amended as follows:-

"XV. From Stone No.XIV the boundary still keeping to the Cubbon Park fence, runs along St. Mark's Road (Queen's Road) and continues in the same direction past the Queen's Statue till it reaches the Sydney Road and runs along the western side of the said Road in line with the Cubbon Park fence till it reaches the eastern corner of the boundary of the new Cubbon Park Police Station where stone No.XIV/1 is fixed. Thence the boundary line turns almost north-west for 74¾ feet where stone No.XIV/2 is fixed and from stone No.XIV/2 the line runs south-west for 159 feet where stone No.XIV/3 is fixed against the compound wall of 'Prospect House'. From stone No.XIV/3 the boundary line

turns to the east along the line of the compound of Prospect House till it reaches Sydney Road at stone No.XIV/4. From stone No. XIV/4 the boundary line runs along the Sydney Road in front of Prospect House and the Museum to the cross roads, whence the causeway across Sampangi Tank takes off. The change of direction which here occurs is marked by boundary stone No.XV, Point 1, Revenue Survey Sheet I. From this point the boundary runs along the western edge of the Sampangi causeway until it falls into the Sampangi Tank bund, boundary stone No.XVI being fixed at this point of intersection, Point J of Revenue Survey Sheet I".
